Patent and Trademark Office and assigns exclusive legal right to the patent holder to protect the proprietary chemical formulation. Two or more reference listed drugs are generally selected only when there are at least two potential reference drug products which are not bioequivalent to each other. Jan 26, - I was on Prometrium for several years and switched to the generic Progesterone when it came available a couple months back. Now I'd totally swear by Prometrium cause it worked for me and as far as side affects go there were 2 and they weren't that bad and only lasted a couple hours after I took the pill Progesterone - does generic teva come from natural. Generic drug availability, manufacturer information, and patent status on Prometrium. Jan 4, - As this eMedTV resource explains, Prometrium (progesterone capsules) can now be purchased in generic form. This article offers more details on the generic version of this drug, with information on available strengths, current manufacturers, and more. Progesterone Micronized mg Capsules (Generic Prometrium). Prometrium vs Progesterone: Hey Guys, Okay, first of all, I know Prometrium is progesterone but I have a question? If your doctor did prescribe up progesterone was it generic Progesterone. Compare prices and print coupons for Prometrium (Progesterone) and other Endometriosis and Irregular Menstruation drugs at CVS, Walgreens, and other pharmacies. Prices start at \$ This medication is similar to the progesterone that your body naturally makes and is given to replace the hormone when your body is not making enough of it. In women who are not pregnant and not going through menopause, this medication is used to restore normal menstrual periods that have stopped for several months. Dec 12, - Since then, my last OB has retired and I am seeing someone else. She wrote a script for Prometrium again and said I could take it vaginally if I wanted, but that she didn't think it mattered which way I took it. So, I fill the prescription and I receive generic progesterone from Teva. I am nervous not doing exactly. it actually may be a generic compared to a name brand! I have a question for the ladies who have taken progesterone. I am pregnant with low progesterone and had a miscarriage scare. They did an ultrasound and found a heartbeat (praise God!). My doc prescribed Prometrium to be taken daily. However my pharmacy substituted generic progesterone manufactured.
