There are legitimate internet pharmacies which sell medications online. So far, Boots is the only pharmacy to have been given such permission. How can I tell if an online pharmacy is regulated? They must be registered with the RPS, which regulates their safety. Boots is the only pharmacist to have received permission to sell prescription-only viagra, and any issuing of viagra must be accompanied by appropriate health checks. Viagra-style drugs bought online may be counterfeit, contain unsafe levels of active ingredients or have other harmful substances added to them. Men will also have to agree to have information passed on to their doctor and may be asked to attend follow-up sessions with their pharmacist. Medical professionals, including trained pharmacists, can apply for permission to issue certain drugs under the Patient Group Direction scheme. Does this mean I can buy viagra online? Viagra, like all drugs, has potential side effects so patients may need follow-up assessments after they begin taking the drug. If viagra is prescription only, why has Boots been given permission to sell it? While internet pharmacies can make it easier to obtain prescribed drugs, they cannot replace necessary face-to-face consultations with clinical staff, as the RPS has emphasised. If you have taken an illegal medicine and are concerned about possible side effects, speak to a healthcare professional or seek medical treatment.
